Attn: Tracy Dante, Scholarship/ Sponsorship Liaison

Dear Tracy,

Bob and I would like to thank Dance Innovations Performance Foundation as well as all of the young talented dancers in awarding our daughter, Caroline, the “Kids for Kids” Scholarship as well as a most enjoyable evening at the Villa. It is very apparent Dance Innovations is a very talented group touching so many hearts in so many ways. Granting young people opportunities in the community gives them the ability for growth and achievement in life.

We feel very welcomed into your program and look forward to the 1-week Budding Artist program with an assistant for Caroline this summer. Please see enclosed registration information.

With many thanks,

Betsy & Bob Naulty
