Individual Photo Session request

After extensive research we have chosen Donner Photographic Inc. as our 2019 recital photographer and are very excited about their new innovative approach to photography. Donner Photographic Inc will still be photographing each class group as listed on the photo schedule. Since their photographers take their time and give each student four poses in their individual costume, we are changing our procedure. We are asking any students that are interested in an individual picture to please fill out the request form and we will schedule your sitting time. Please indicate your preference - time and date during the allotted times that Donner photographers will be at the studio. (Monday June 3rd 3:15-8:00 & Tuesday June 4th 3:30-8:10). When indicating your desired time, please check you do not conflict with any of your dancer's group photos.

Please note: Individual photos are taken at no charge. Packages will be available to view and purchase at June 14th Rehearsal. No obligation to purchase.
